

**Class title:** Brain Benders

**Grade level:** 4-8

**Maximum class size:** 12

**Minimum class size:** 5

**Teacher:** Amy Haney

**Curriculum used:** *Brain Benders* (beginning and intermediate) from Rainbow Bridge Publishing

**Length of course:** 1 semester

**Description of course:** Students will work individually and in groups to solve math and language puzzles, including logic puzzles, number problems, and word games. Class time will be spent working puzzles and discussing solutions.

**Time required outside of class for homework:** One puzzle/week will be sent home. This may take 10-30 minutes to complete.
