

## **Change Fee for 2008-2009**

Class registrations and changes will be taken from April 25 (today) until June 1. The registrar's "office" will then be closed from June 2 through August 15. During this time NO changes will be made to existing schedules or new registrations taken. The "office" will then re-open for a period of two weeks from August 4 until August 18, during which time changes can be made. However, such changes will require an additional "change fee" of \$10/per student.
