

Class title: Study Skills/Academic Success

Grade level: 7-9

Maximum class size: 8

Minimum class size: 3

Teacher: Katy Daum

Curriculum used: Becoming a Master Student

Length of course: 1 semester

Are new students accepted second semester? This is a one semester class

Description of course: This is actually a college success class, but I think it will work well for us as homeschoolers entering upper grades because of the nature of the way homeschooling works. Topics covered will include note taking, how to memorize, money management, and time management. This book is written from a secular perspective, which will give us an opportunity to analyze certain expectations in light of Scripture.
